

Clicker7

The logo for Clicker7 features the word "Clicker7" in a bold, red, rounded font. A small cyan dot is positioned above the letter 'i'. A thick, cyan, curved underline is positioned below the text, starting under the 'C' and ending under the '7'. The '7' has a distinctive shape with a long, sweeping top bar that curves downwards and to the right.

How to: use the Quick Start window

How to: create a Clicker Board

How to: create a Word Bank or Picture bank from a Clicker Board

How to: create and edit a Word Bank

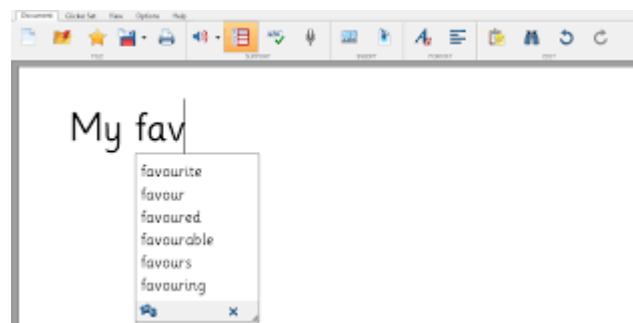

The screenshot displays the Clicker 7 software interface. At the top, the title bar reads "Clicker 7 - Document". Below it is a menu bar with "Document", "Clicker Set", "View", "Options", and "Help". A toolbar contains icons for file operations (FILE), support (SUPPORT), insert (INSERT), format (FORMAT), and edit (EDIT). The main workspace is a large white area with a vertical cursor. At the bottom, a red-bordered word bank is visible, with tabs for "Names", "Powers", "Nouns", "Verbs", "Adjectives", and "Onomatopoeias". The "Names" tab is selected, showing a grid of words: Amazing, Ultra, Captain, Mrs, Woman, Fantastic, Mega, Doctor, Mr, Man, Incredible, Turbo, Professor, Miss, Girl, Super, Wonder, Agent, Master, and Boy. The Windows taskbar at the bottom shows the search bar, taskbar icons, and system tray with the time 15:00 and date 21/05/2018.

Names	Powers	Nouns	Verbs	Adjectives	Onomatopoeias
Amazing					
Fantastic					
Incredible					
Super					
Ultra					
Mega					
Turbo					
Wonder					
Captain					
Doctor					
Professor					
Agent					
Mrs					
Mr					
Miss					
Master					
Woman					
Man					
Girl					
Boy					

How to: use a voice note and text predictor

Select **Record** to start recording your voice note.

How to: edit a Sentence Set

The screenshot displays the Clicker 7 software interface. At the top, the title bar reads "Clicker 7 - Document". Below it is a menu bar with "Document", "Clicker Set", "View", "Options", and "Help". A toolbar contains icons for FILE (New, Open, Save, Print), SUPPORT (Speaker, ABC, Microphone), INSERT (Image, Document), FORMAT (Text, List), and EDIT (Clipboard, Undo, Redo). The main workspace is a large white area with a vertical cursor on the left. A text box in the center contains the sentence "An elephant has two tusks and a long trunk." with a red 'X' icon to its right. Below the text box is a dark grey panel with a small image of an elephant on the left and a grid of word buttons: "a", "two", "and", "elephant", "has", "An", "long", "trunk", and "tusks". At the bottom, a taskbar shows "Edit Clicker Set" and "Explorer" windows, and a system tray with the time "14:54" and date "21/05/2018".

How to: edit a Connect Set

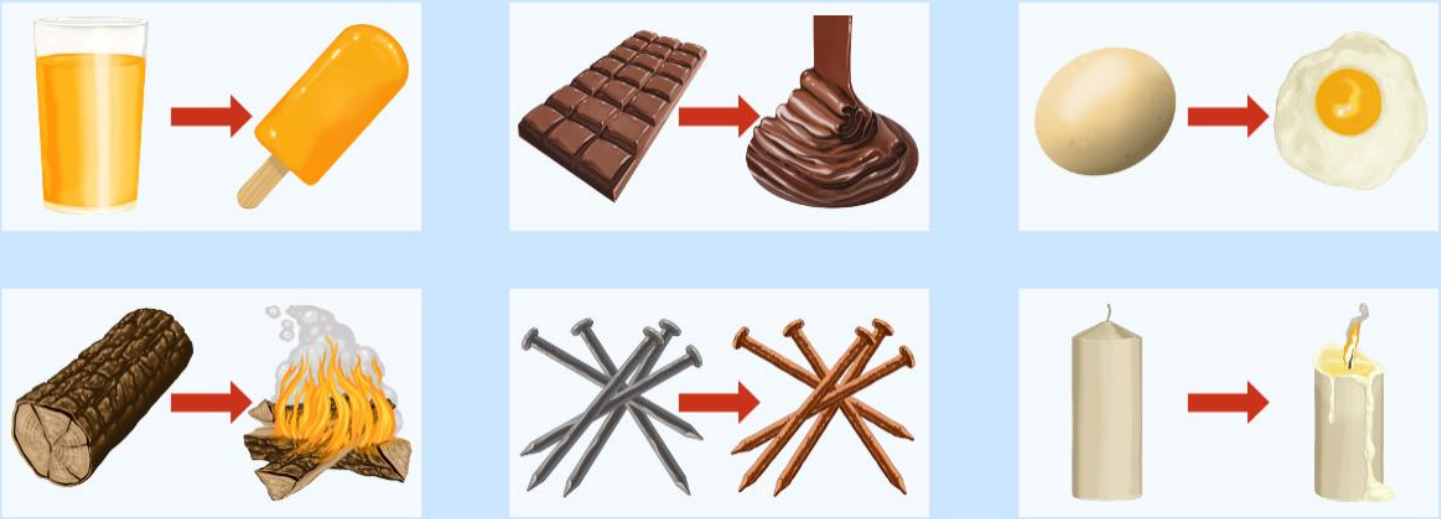

The screenshot displays the Clicker 7 software interface. The title bar reads "Clicker 7 - Document". The menu bar includes "Document", "Clicker Set", "View", "Options", and "Help". The toolbar is organized into categories: FILE (New, Open, Save, Print), SUPPORT (Speaker, ABC, Microphone), INSERT (Image, Document), FORMAT (Text, Bullets), and EDIT (Clipboard, Undo, Redo). The main workspace is a large white area. At the bottom, a light blue panel contains a "Connect Set" for a headland. On the left is a small image of a headland. To its right are several text boxes: "A headland", "It", "is", "sticks out", "is made of", "into the sea", "a narrow piece of land", "not easily eroded", "resistant rock", "and", "it", and a red box with a black dot. Navigation arrows are on the left, and control buttons (Back, Forward, Home, Keyboard, Stop) are on the right. The Windows taskbar at the bottom shows the search bar, taskbar icons, and system tray with the time 14:57 and date 21/05/2018.
