

3rd April 2020

Dear Parent and Carers

All of us at Meadowfield School feel it is important to keep in touch with each and every one of you, so I am writing again with a few updates.

For those of you who are in receipt of free school meals, we will ensure that you receive vouchers but unfortunately they are not available during the Easter break. In addition, we have been awarded a grant and this has enabled us to purchase forty £10 Morrison's vouchers. We will be sending these to families who we believe could use the additional support, as well as to those families who have requested extra assistance. However, if you are ever in need of any kind of help, we will always do our best.

Please be sure to check our website for learning resources, we have been adding more and more ideas and activities and we are sending work home to those families who have made requests.

I am very pleased to tell you that builders are still on site and our new sports hall and teaching building are shaping up nicely. Because of the current situation the work will not be complete by August as was the original plan, but I will keep you updated as a new timeline unfolds.

For the small group of children who are coming in during the Easter holidays, school uniforms are optional. If your son/daughter would be more comfortable in other clothes of their choice, that is just fine.

Please remember that the office is currently closed, but we are checking emails regularly. Sending an email to the school office is the best way to get in touch, office@meadowfield.kent.sch.uk

School will be in contact regularly and we will do what we can to support you during these unsettling and unusual times.

Have a lovely Easter.

Yours faithfully

Jill M. Palmer
Principal
