Dear Parent/Carer

### **Evidence for Learning Workshop**

We will be holding an Evidence for Learning workshop on Thursday 13<sup>th</sup> June from 10:00am – 11:30am.

Following responses to our recent letter regarding accessing and engagement with Evidence for Learning, we will be holding this workshop to support parents and carers with accessing the Family App and understanding how Evidence for Learning is used within school and with families.

There will be a brief introduction to Evidence for Learning, what it is and how it is used before allowing time to answer any questions you may have and provide technical support to help get you logged in.

Unfortunately, as space is limited, and in order to comply with Fire Safety Regulations, we will need to ensure that we do not exceed the maximum number of persons, therefore places will be limited to 2 adults per child. Also, due to the learning nature of the workshop, we are unable to accommodate siblings at this event.

Please may we remind you that mobile phones cannot be used in school, if there is a reason that you need your mobile, please speak with the class teacher.

Please complete the booking form below should you wish to attend the workshop.

Yours Faithfully
