

# Foxes Class Home Learning Topic Term

1

## All about me!

## ENGLISH

During this term we will be learning about us as a class and the individual children. We will be exploring what we all like and why we are all important. Also to help us all make friends. We will be linking it to our social, emotional, physical and cognitive development and how these are all special and important to us all. Children will be studying our story No Matter What. We will be looking at how the character is feeling and no matter what they are doing or who they are, we are all special.

### Suggested Learning Support Activities

- Chose a story to read with the children at home together.
- Make resources for role playing in groups of friends.
- When reading with your child, ask them to identify familiar words and sounds and to repeat some sounds/ statements.
- Write down some important information about your child and discuss why these are important.

## MATHS

This term we are going to be looking at adding and subtracting, multiplication and division.

### Suggested Learning Support Activities

- Encourage children to count, order, and match and write numbers accurately.
- Encourage children to add 2 digits and 2 digit numbers to find out the amount.
- Encourage children to subtract 1 digit and 2 digit numbers or 2 digits and 2 digit numbers.
- Encourage children to multiply 1 digit and 1 digit numbers.

### Science

- In Science, our learning will be focused around developing our observation skills. We will be carrying out a range of investigations to see how our five key senses are very important. We will be smelling products and also making edible play dough for our taste buds.

## Some useful websites

- \* [www.youtube.com](http://www.youtube.com) – Youtube has songs that can help with both Maths and English.
- \* [www.twinkl.co.uk](http://www.twinkl.co.uk) – Twinkl has a variety of resources that can help with the learning. (If you find a resource you would like to use at home but cannot access please ask me and I will get it for you.)
- \* [www.activityvillage.co.uk](http://www.activityvillage.co.uk) – Activity Village has a range of resources from colouring pages to written worksheets

For topic and subject based web resources, please go to our topic page on the website in the news section.
