

25<sup>th</sup> February 2021

Dear Parents/Carers,

**Re: Meadowfield Giving Tree**

Since our Christmas celebrations were cancelled due to closure and this recent lockdown, we have been unable to hold any type of celebration and distribute the donated gifts from the Meadowfield Giving tree. The postponing of these gifts allows us to plan for an alternative day of celebration later in the year.

International Day of the Child falls on 1<sup>st</sup> June every year and events include holding birthday parties around the world in celebration of those children who may not have had the opportunity to celebrate their birthday that year. As this year has been extremely difficult for all children in the world, we would like to celebrate this day within our Meadowfield community on Friday 28<sup>th</sup> May 2021 and hold classroom Birthday parties. With this in mind, the donations provided for Christmas will be used for birthday gifts.

If anyone wishes to donate a Birthday present for a pupil, please do so by either placing a gift in the bin provided by the school reception or handing the present into the school office. If you wish to make a monetary donation to allow us to purchase appropriate gifts, please either make cheques payable to Meadowfield School or place cash in an envelope and hand into the school office.

We are very grateful to everyone who has supported the Giving Tree so far and thank you for your continuing support.

Further details relating to the parties will follow in due course.

Yours faithfully

Angela Howe  
Deputy Principal
