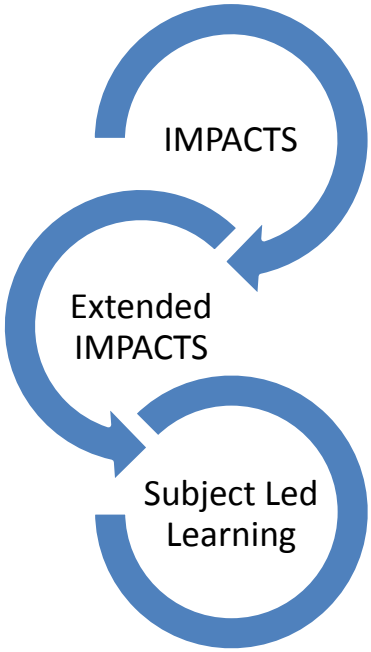
Meadowfield School Curriculum Model 2018

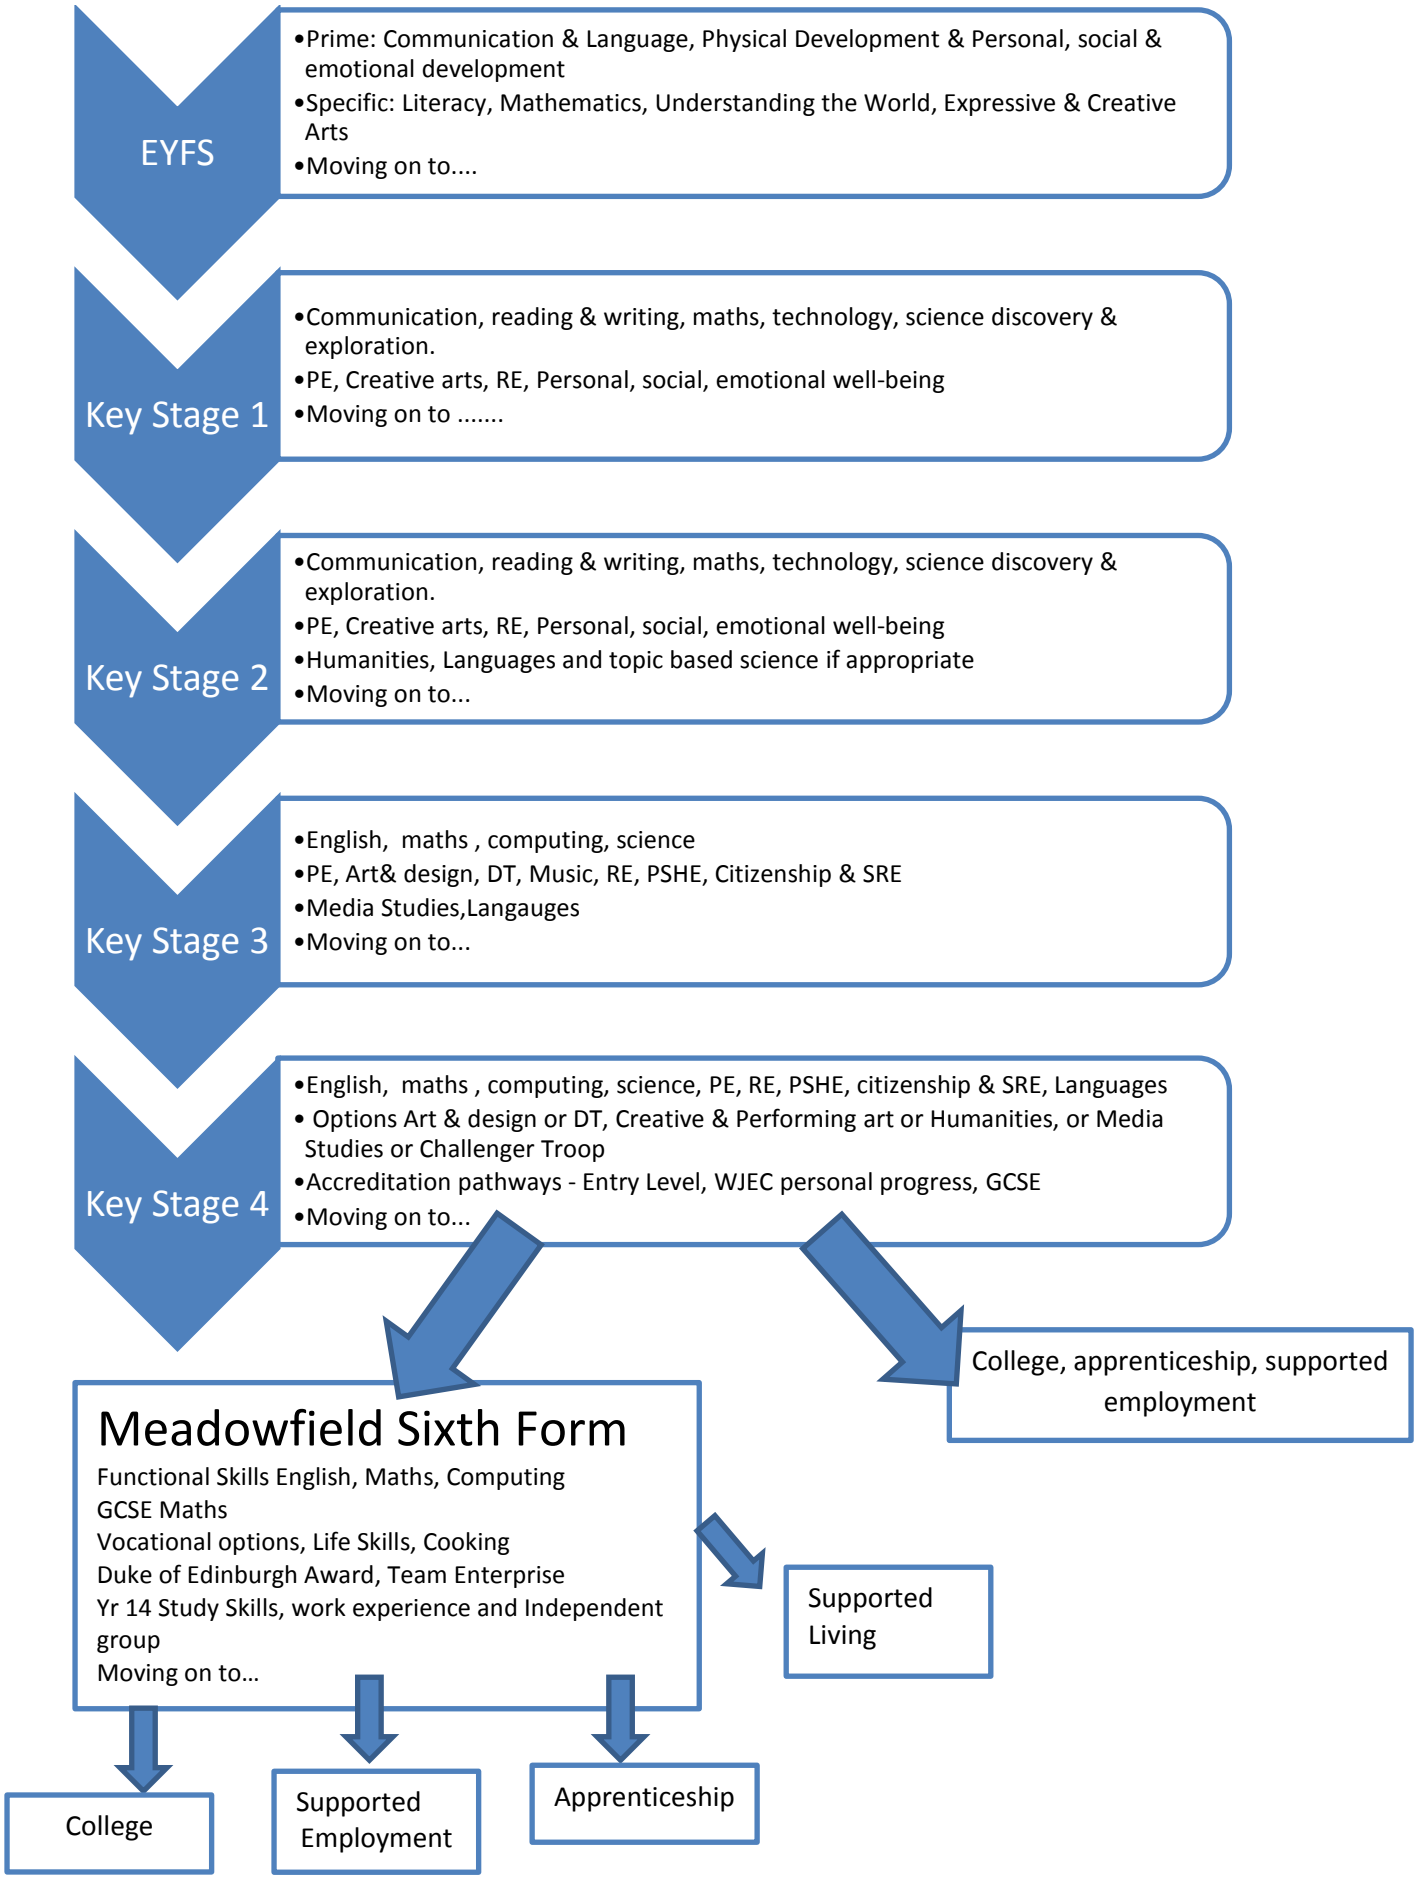
At Meadowfield School there are three parallel curriculum models. Pupil follow the curriculum model which best suits their learning needs at that time.



As pupils move through the school the curriculum model they access will be based on their learning needs.

IMPACTS – Individual, Meaningful, Profile, Assessment, Curriculum, Target Setting
Learning is focused on Communication, Cognition, Technology, Physical skills and Personal, social, emotional well-being.

Extended IMPACTS
Learning is focused on communication, reading and writing, maths, technology, science discovery & exploration, creative arts, PE, RE and Personal, social and emotional well-being.

Subject Led Learning
Learning is subject focused based on the statutory requirements of the key stage detailed in the Curriculum Offer document.


At each Key Stage there is a strong focus on preparing pupils for their next stage.
