Dear Parents/Carers

Re: Micro Sports Fun

Meadowfield Sports week has always been very successful, it is the highlight for many pupils in the school calendar, with every pupil taking part in a huge variety of sports and activities. It provides so many positive experiences for our pupils and encourages everyone to be healthy and active for life.

This year we will be running a Micro Meadowfield Sports Event for every class. The theme is 'healthy for life'.

To accommodate our parents and carers and to showcase the pupil's skill levels and enthusiasm in being active; we would like to invite you to a specific PE session where you will watch your child in both traditional and non-traditional sports. Depending on the class, pupils will take part in competition and informal sports/games.

As the school has grown significantly, it has become impossible to invite everyone into school for a sports day and the PE team will be trialling this new format for the first time and we look forward to seeing you at the allocated day and time for your child's class.

Staff will collect parents and carers from reception 10 minutes before the start of all sessions. As we are inviting you to the actual lesson, please can we ask that you arrive promptly to avoid late arrivals disrupting the flow of the lesson and the pupil's engagement.

Places are limited to 2 adults per pupil and although siblings are welcome, we would ask that you keep the number to a minimum. Please be mindful that staff will be part of the lesson and not available to interact with parents/carers or siblings as they would at an open afternoon or celebration assembly.

Please may we remind you that mobile phones cannot be used in school, if there is a reason that you need your mobile, please speak with the class teacher.

Please complete the online booking form to confirm your attendance. We look forward to seeing you all and hope that you enjoy this sporting event and embrace this new format.

For your information only we have attached the planned timetable for everyone.

Yours Faithfully

Ian Harman

Ian Harman
Head of PE
