

# Attendance Policy

# Meadowfield

To inspire and motivate all pupils and staff who learn and work together to aspire to endless possibilities.

## Statement of Intent

Meadowfield School is committed to the continuous raising of achievement of all our pupils. Regular attendance is critical if our pupils are to be successful and benefit from the opportunities presented to them. Good attendance is fundamental to a successful and fulfilling school experience and the school will ensure that every pupil has access to the full-time education to which they are entitled.

As part of our school values each pupil is welcomed, valued, respected and encouraged to respect themselves and others. The school aims to empower all pupils to gain the essential skills both academic and social that will equip them for the future.

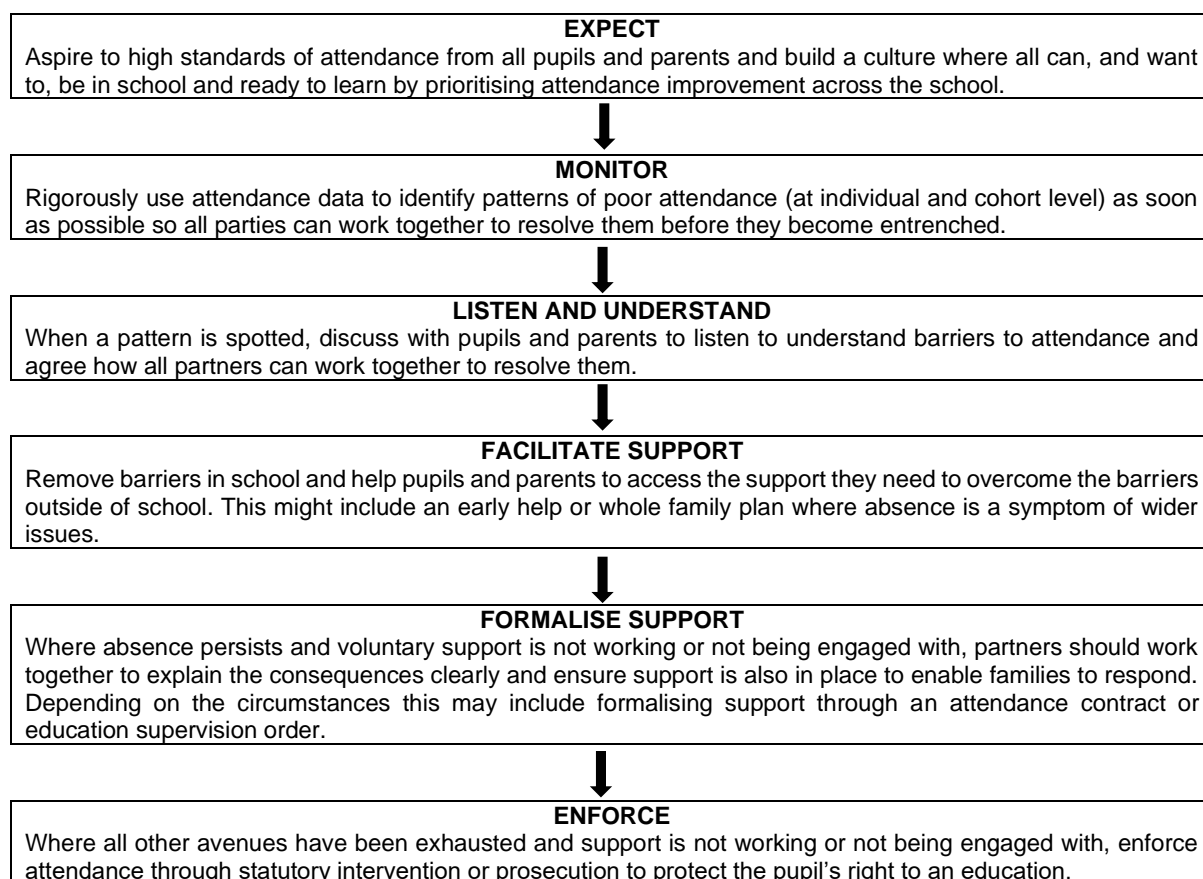

Meadowfield School believes that by working together we can improve attendance. Through the school values we promote a positive, strong ethos to attendance – every day counts! We have our attendance expectation poster displayed in public areas alongside our safeguarding poster.

All our procedures and monitoring protocols are designed to ensure that – every child and their family matters.

The Governors, Executive Principal, Principal, Senior Attendance Champion and Staff in partnership with parents and outside agencies have a duty to promote good attendance at Meadowfield School and offer the necessary support and guidance for families to remove any barrier to school attendance.

We believe that education is essential for all. To achieve their full potential pupils need to attend regularly and punctually. The school will follow its attendance and monitoring protocols to reduce absence, including persistent, severe absence and lateness.

Successfully treating the root causes of absence and removing barriers to attendance, at home, in school or more broadly requires schools and local partners to work collaboratively with, not against families. All partners should work together to:

## Legislation and Guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

## Roles and Responsibilities

At Meadowfield School there is a whole school responsibility and approach for improving school attendance, with specific staff taking individual responsibility.

- Liz Hymus, Deputy Principal/Lead DSL is the School's Senior Attendance Champion
- Ginny Cosstick, Office Manager/PA to Leadership is the School's Attendance Support
- Emma Parrish, Attendance Officer – Main Site and Satellites
- Kathryn Plowman/Jo Budgen, Office Support (6<sup>th</sup> Form)

Emma, Kathryn and Jo are the school's daily attendance contacts.

Liz Hymus has overall responsibility for attendance including monitoring and analysing attendance, working with the Pathway Principals to support families and improve attendance.

Class teachers complete a register at the beginning of each morning and once during the afternoon session. Marking the attendance registers twice daily is a legal requirement. Teachers mark pupils present and leave blank those missing from the classroom at the time the register was taken and submitted. The attendance team will follow up missing marks and follow the school's first day calling procedures and update the register with appropriate codes.

It is the responsibility of any staff member to report any attendance concerns to Liz Hymus and/or Ginny Cosstick/Emma Parish/Kathryn Plowman or Jo Budgen.

The Department for Education (DfE) reads the school's registers to collect attendance data and other information about pupils on a daily basis via electronic data sharing with the DfE.

## The Governing Board

The governing board is responsible for:

- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils' needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
  - The importance of good attendance
  - That absence is almost always a symptom of wider issues
  - The school's legal requirements for keeping registers
  - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the principal to account for the implementation of this policy

The governor linked to attendance is Di Simms. The link governor will meet with the Senior Attendance Champion to review attendance and procedures and report to the governors termly.

### **Class Teachers**

Class teachers are responsible for recording attendance on a twice daily basis and submitting this information to the school office. The register is taken morning and afternoon.

Class teachers or class staff will forward any messages relating to attendance that have been provided verbally or in the Contact Book by parents/carers.

### **School Office Staff**

School office staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents to the appropriate staff in order to provide them with more detailed support on attendance
- Record accurate messages to be forwarded to the appropriate staff

## Parents/Carers

Parents have a legal duty to ensure that their children attend school regularly and arrive on time. Regular attendance is essential to the all-round development of the child and they should be allowed to take full advantage of educational opportunities available to them in order to make good progress in their learning. Poor attendance undermines their educational attainment and progress, emotional and social development and, sometimes, puts pupils at safeguarding risks.

Parents/carers are expected to:

- Make sure their child attends every day and on time
- Call the school to report their child's absence before 9.00am on the first day of the absence. If the pupil is to be absent for more than 1-day parents are requested to contact the school regularly and provide an update on the pupil's condition and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Contact the school to discuss any concerns or issues to enable the school to investigate, speak/meet with families to resolve concerns/issues

## Pupils

Pupils are expected to:

- Attend school every day on time
- Engage with staff and other pupils
- Seek assistance from staff if they are worried or concerned, to give the school the opportunity to support the pupil to resolve the issue and break down any barriers to attending school

## Recording Attendance

### Attendance Register

Meadowfield School will keep an attendance register, and place all pupils onto this register.

We will take an attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

We will also record:

- For pupils of statutory school age whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity

- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

All attendance data is stored on our MI system, SIMS using the statutory codes, shown in Appendix 1.

Pupils must arrive in school by 9.00am on each school day.

The register for the first session will be taken at 9.05am and will be kept open until 9.30am. The register for the afternoon session will be taken at 1.00pm and will be kept open until 1.15pm.

The School day is:

Meadowfield School Main Site & Sunny Bank Satellite		Meadowfield 6 <sup>th</sup> Form Centre		Meadowfield Fulston Satellite	
Day	Time	Day	Time	Day	Time
Monday – Thursday	9.00am – 3.00pm	Monday – Thursday	9.00am – 3.10pm	Monday – Thursday	9.00am – 3.00pm
Friday	9.00.am – 1.30pm	Friday	9.00.am – 1.30pm	Friday	9.00.am – 1.15pm

## Unplanned Absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9.00am or as soon as practically possible by calling the school office telephone 01795 477788 (6<sup>th</sup> Form ring 01795 342147), using the school's home/school communication system – Weduc or emailing the school office, [office@meadowfield.kent.sch.uk](mailto:office@meadowfield.kent.sch.uk)

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

## Planned Absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. Contact can be via the Contact Book or the School Office.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply in writing for other types of term-time absence as far in advance as possible of the requested absence.

## Requesting Absence from School, Authorised and Unauthorised Absence

Only the Principal can authorise absence using a consistent approach. The Principal is not obliged to accept a parent's explanation. A letter or telephone message from a parent does not in itself authorise an absence. If absences are not authorised, parents will be notified.

Any request for absence needs to be made in writing with an explanation of why the absence is being requested, the start and end dates and the reason for the absence. The school considers

each application for term-time absence individually, considering the specific facts, circumstances and relevant context behind the request.

The Principal will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Principal will only grant a leave of absence to a pupil during term time if the request meets the specific circumstances set out in the 2024 School Attendance Regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Principal's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as

- Service personnel returning from a tour of duty abroad where it is evidenced the parent will not be in receipt of any leave in the near future that coincides with school holidays.
- Where an absence from school is recommended by a health professional as part of a parent's or child's rehabilitation from a medical or emotional issue.
- The death or terminal illness of a close family member.
- To attend a funeral of a person close to the family.
- To attend the wedding of a close family member. This does not include weddings abroad where 1 day travel and 1 day for the wedding will be authorised but the remainder of the time will be unauthorised.
- Any strong personal reasons why a family might need to take a child away from school for a short break

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday. Generally, the DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted in writing as soon as it is anticipated and, where possible, at least 4 weeks before the absence. The Principal may require evidence to support any request for leave of absence.

Other valid reasons for authorised absence include (but are not limited to):

- Illness (including mental-health illness) and medical/dental
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart

- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

## **Sanctions**

Meadowfield School may make use of the full range of potential sanctions – including, but not limited to, those listed below, to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

## **Penalty Notices**

Adhering to the Department for Education 's statutory guidance on 'Working Together to Improve School Attendance (August 2024), the Principal (or someone authorised by them), local authority or the police can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent/carer who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a first penalty notice, the parent/carer must pay £80 within 21 days, or £160 within 28 days.

If a second penalty notice is issued to the same parent/carer in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A third penalty notice cannot be issued to the same parent/carer in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents/carers allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process. In these cases, the parent/carer must pay £60 within 21 days, or £120.

## **Notices to Improve**

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a Notice to Improve to give parents a final chance to engage with support.

Notices to Improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## **Lateness and Punctuality**

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code (L code)
- After the register has closed will be marked as absent, using the appropriate code (U code)
- Punctuality is monitored within our monitoring procedures, see Recording and Monitoring

## **Following up Unexplained Absence**

Where any pupil expected to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may text or email the parent/carer.
- Identify whether the absence is approved or not

- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the KCC Attendance Service, carry out a home visit or contact the police for a welfare check
- A letter will be sent home requesting the parent/carer to contact the school or return the reply slip on the pupil's return.

## **Children Missing Education**

No child should be removed from the school roll without consultation between the Principal and the Inclusion and Attendance Service when appropriate. Please see the circumstances below:-

Where a child is missing from education, Local Authority guidance will be followed, by completing a Child Missing Education referral for the following circumstances:-

- If the whereabouts of the child is unknown and the school has failed to locate them.
- The family has notified the school that they are leaving the area but no Common Transfer Form (pupil file) has been requested by another school.

## **Children out of School for Long Periods due to Ill-health or mental health**

When a child is absent for long periods of time, the school will maintain regular contact with the family to offer support and dependant on the child's health:

- Provide printed work packs
- If possible, provide other support requested by the family

A return to school meeting will be arranged once the child is well enough to return to school. At this meeting a plan of action and support package will be agreed with the parents/carers and the school, together with the nursing team, if appropriate.

## **Reporting to Parents**

The school will provide a copy of pupil Attendance Registrations twice per year to parents/carers. The following percentages indicate where a pupil's attendance sits and this will also be included in the accompanying letter:

- +96% – Excellent/Good
- 95% - 90% - Monitor
- Below 90% – Improvement required classed as persistent absence
- Below 50% – Improvement required classed as severe absence

This will give parents/carers a visual understanding of their child's attendance.

## **Celebrating and Rewarding Achievement**

Due to the nature of the cohort and that many pupils have complex medical conditions and, in some cases, degenerative conditions, the school is mindful that some pupil's attendance will always be a challenge both for the pupil and their families due to these complex and severe needs.

However, the school will celebrate and reward all improvements and excellence in attendance and although the school holds regular celebration assemblies, attendance will not be included in these assemblies as they are to be inclusive to all pupils and for some pupils improving their attendance is simply not possible due the nature of their medical conditions and therefore, we do not wish to highlight their challenges or make them feel excluded. As a consequence of this decision, the

school will send post cards home highlighting and rewarding improvements and excellent attendance to all pupils on a bi-termly bases.

There are two types of postcards:

- Excellent – this is for excellent attendance where the percentage meets the expected level
- Improved – this is where attendance has improved from the previous bi-monthly analysis. However, the overall level may still be below the expected level

The post cards will be sent in a private and confidential envelope and will be addressed to the whole family to try and encourage both pupil and parental engagement.

## **Monitoring, Recording and Action Procedures**

As a special school, we have a responsibility to ensure that we are fulfilling our duties under the Equality Act, 2010, when monitoring the attendance of our students.

We benchmark ourselves against national and local special school attendance data and set ourselves targets to be above these percentages.

The school has robust monitoring procedures in place;

- Daily recording of attendance on SIMS and in tracker logs
- Dedicated Attendance line for absence reporting via both telephone and our home/school communication system, Weduc. The office email is provided to all parents/carers and absence can be reported on this email
- First day contact with parents/carers where a pupil is not in school and there has been no contact with the family
- Contact letters where communication has not been possible over the telephone, text or email
- Termly attendance is reviewed with the Senior Attendance Champion and Assistant Principals for all pupils but particularly those below 95%.
- Where pupils are below 95% attendance, depending on the reason for the fall in attendance, the following procedures may be implemented:
  - **Stage 1** – A letter may be sent home alerting parents/carers that the pupil has fallen below the expected level together with an invitation to contact the school to discuss the level of attendance and any support that may be needed.
  - **Stage 2** - If there has been no improvement in attendance a second letter is sent home advising that medical evidence is required for all further absences. The letter will include an invitation to discuss the level of attendance and any support that may be needed.
  - **Stage 3** – The Assistant Principal will telephone the family to discuss attendance and expectations and offer any support necessary to facilitate better attendance.
  - **Stage 4** – Parents/carers are sent a letter requesting their attendance at a meeting with the Assistant Principal.
  - **Stage 5** – Parents/carers are sent a letter requesting their attendance at a meeting with the Senior Attendance Champion and Assistant Principal. The LA Attendance Service will be included, if appropriate.
  - **Stage 6** – Either referral to Early Help or LA Attendance Service, depending on the reason why attendance has not improved.

In addition to attendance, punctuality is also monitored under the same procedures above.

At all these stages, the school will work with and support families and pupils to ensure that help, support and guidance are being offered to facilitate school attendance. Depending on the reasons why attendance is below the expected level or is not improving, the stages of attendance action protocols can be changed or reordered to benefit the pupil.

For persistent absence pupils, those below 90% or severally absent pupils, those below 50% we will work with families, school staff and the KCC Attendance Service to remove barriers for attendance at school.

We understand that some pupils have complex medical conditions and these will always be taken into consideration with regards to attendance.

The school will send out its Attendance leaflet every seasonal term (Term 1, 3 & 5) to ensure that attendance remains a visibly seen priority and is actively being encouraged, whilst providing families with the information necessary to seek assistance or support wherever required.

Our link governor meets with the Senior Attendance Champion termly to review attendance and procedures and reports back to the Governing Body.

The Senior Attendance Champion will provide a report to the Governors twice per year, Term 3 and 6, summarising the school's overall attendance.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average.

Meadowfield School believes that by working together we can improve attendance and all monitoring, recording and action procedures are designed to put strategies and support in place to ensure we are proactive in maintaining, encouraging and reducing persistent and severe absence. Through the school values we promote a positive, strong ethos to attendance – every day counts!

All our procedures and monitoring protocols are designed to ensure that – every child and their family matters!

## **6<sup>th</sup> Form Centre**

Although 6th Form students are non-statutory school age, the school continues to monitor, analyse and follow up attendance using the same principles of support and expectation as those used for our statutory school age pupils.

Encouraging good attendance and punctuality forms part of our Preparation for Adulthood and can have an impact on college placement applications.

The 6<sup>th</sup> Form Centre use the following procedures to monitor and improve attendance:

- First day calling
- Follow up contact where communication has not been successful on first day via telephone, letter or home visit
- Analyse attendance termly – the Assistant Principal is provided with attendance data and will review the levels.
- Actions – where there is a concern, the Assistant Principal will contact the family via telephone to discuss any barriers to attendance or support the school can put in place. If there is no improvement to attendance the family will be sent a letter inviting them to a meeting with the Assistant Principal. The third stage, would be to invite families to attend a meeting with the Assistant Principal and Senior Attendance Champion.

## **Analysing Attendance to improve attendance and support pupils returning to school**

The school will:

- Analyse attendance and absence data regularly to identify pupils that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families

- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- The school has granted the DfE access to its management information system, SIMS, so that data can be accessed regularly and securely.

## Using Data to Improve Attendance

The school will:

- Develop targeted actions to address patterns of absence of individual pupils, groups or cohorts that it has identified via data analysis that require additional support
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families
- Provide regular attendance reports to facilitate discussions with families, and to the governing board and school leaders
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

## Reducing Persistent and Severe Absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary

## Review Arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by Liz Hymus, Senior Attendance Champion. At every review, the policy will be approved by the full Governing Board and Senior Leadership Team.

**Re: Pupil Name**

Following the continuous reviews of pupil attendance, (Pupil Name) has been absent for XXX days of school and their attendance percentage is XX%.

We know that sometimes our pupils cannot come to school because they are really unwell and that's the right thing to do for them and other pupils. Medical advice is clear however, that children with mild illness will often be well enough to attend school, for example if they have a cough or cold, without a temperature. The NHS guidance, *Is My Child Too Ill For School* is designed to support parents in their decision making about mild illness. <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

We know that pupils fall behind their friends and classmates when they miss school. At Meadowfield School we want the amount of missed education to be reduced as much as possible. We believe that our community is stronger together, with all of our pupils in school, on time, every day. We are building skills, life-long friendships and preparing your child for future success.

We also know that you can have a significant effect on (Pupil Name)'s absences this academic year and we would really appreciate your help and support ensuring that (Pupil Name) comes to school every day so that (he/she/they) can get the best possible outcomes. We want to work with you to achieve this, please call or come in and meet me if there is anything we can do to support you and your child to attend school. We appreciate that every family's situation is unique.

We will be in touch again to request a meeting with you if we have on-going concerns about your child's attendance.

Yours sincerely

**Re: Pupil Name**

Further to our previous letters regarding (Pupil Name), we have highlighted concern that your child's attendance at school is below the expected level. (Pupil Name)'s attendance at school is currently «percentage\_attendance»% which means «he\_she» has missed X number of days education. This will have an impact on your child's education, friendship groups, social and emotional development.

I would like to invite you to a meeting with myself on XXX to look at ways we can support you and your family and it is important that you attend this meeting, which can be via TEAMS if this is more convenient.

At the meeting we can explore the issues and any barriers to your child's attendance and put a plan in place to support you and (Pupil Name) to improve (Pupil Name)'s attendance and their enjoyment of school.

Please can you confirm your attendance to Emma Parrish, Attendance Officer, via the school office and advise if you would like to attend in person or TEAMS.

Thank you for your co-operation and I look forward to meeting with you so that we can explore ways to support (Pupil Name).

Yours sincerely

**Re: Pupil Name**

We have noticed that (Pupil Name) is often late/absent in the mornings. We know that mornings can be difficult for some pupils and we are keen to help to improve (Pupil Name)'s attendance. (Pupil Name) has been late for school XXX times last term, which has resulted in XXX hours of lost learning.

School starts at 9:00am and pupils who arrive after 9:15am will be recorded as late, L code in the register. Any pupil who arrives after 9:30am will be recorded as an unauthorised late, U code as the register closes at 9:30am.

We understand that there may be rare occasions when you are unavoidably late due to unforeseen circumstances. On these occasions, please make sure that you advise the office as this will need to be recorded in the register.

We would love to talk to you to discuss avenues for support to help (Pupil Name) attend school well and on time. Please can you contact myself, via Emma Parrish in the school office to make an appointment for a telephone conversation or a meeting, in person or via TEAMS.

Yours sincerely

The school day starts with class communal time which includes the option for breakfast. Children who arrive late are greatly disadvantaged because they miss starting the day with their peers and the beginning of lessons. This means that they are often unsettled and the interruption of late pupils causes disruption to the whole class and can have a serious impact on everyone which affects your child's own learning and that of others.

Yours child's attendance is below the expected level and is now classed as (persistent/severe) absence.
