Dear Parent/Carer

Re: Sunflowers Class – Sensory Massage

As part of a calming activity I wish to bring to Sunflowers class after lunch from Term 3, we will be introducing sensory massage.

We will be using *Aveeno Baby* which contains the following ingredients: Aqua, Glycerine, Distearylidimonium Chloride, Petrolatum, Isopropyl Palmitate, Cetyl Alcohol, Dimethicone, Avena Sativa (Oat), Kernel Flour, Allantoin, Sodium Chloride, Tocopherol, Benzyl Alcohol. [PR-3664]

The Sunflowers class team have received training from Reflexology.

I have attached a permission slip for your child to take part in this activity and I would be grateful if you could sign and return.

If you have any concerns or questions, please do not hesitate to contact me.

Yours faithfully

Sam Crook
Sunflowers Class Teacher

✂-----Please return to Daisies Class-----

Meadowfield School –Sunflowers Class – Sensory Massage

- I GIVE permission for my child to take part in sensory massage
- I DO NOT wish my child to take part in sensory massage
