Dear Parents/Carers

Re: Voluntary Contribution Fund Academic Year 2026/27

It may be news to you that like so many other schools, we are facing increasing financial challenges due to increased costs and insufficient funding from the Government. It is for this reason we have decided to reintroduce the Voluntary Fund. The Voluntary Fund is designed to help the school financially during these difficult times through voluntary contributions.

As a school, we provide many activities outside the school curriculum and due to the character of our school we are constantly looking at ways to increase the opportunities we can offer to our pupils/students. Over the last year we have:

- Part funded enterprise initiatives
- Part funded numerous trips
- Visited and taken part in many music related concerts, presentations and activities
- Invested in new vehicles to transport the pupils to out of school activities
- Installed new playground equipment at the main school and Sixth Form

We would like to continue with these initiatives, as well as introduce new ones. We are therefore asking every family to donate £10.00 per year as a voluntary contribution. However, any donation will be greatly appreciated. The more donations we receive the more we will be able to offer to our pupils/students.

In addition, if you are a UK taxpayer, the Fund can claim an extra 25% on every eligible donation and at no additional cost to you. Please confirm the statements below to make sure you are eligible:

- I'm a UK Tax payer
- This donation is my own money
- I am not receiving anything in return for this donation

☐ Please tick to confirm you are eligible and return to school, thank you

We welcome a one-off payment or smaller termly contribution. Payments can be made online via your Parent Pay account or we are happy to receive cash payments.

Thank you for supporting the school, your help is greatly appreciated.

Yours faithfully
