

03 January 2023

Dear Parents/Carers

EYFS Parent / Carer Writing teaching strategy workshop and parent open afternoon

We will be holding a parent / carer writing teaching strategy workshop followed by class open afternoon on Monday 29th January at 1pm – 2.15pm.

Teachers will be delivering a training session for parents / carers on writing teaching strategies used within our EYFS Department.

This will be a great opportunity for you to gain information on how your child learns and what you can do to continue this learning within the home.

Once the workshop has finished you will be invited down to classes to see how these teaching strategies are implemented into the classrooms.

If you wish to just attend the open afternoon this will start at 1.45pm.

Due to the learning nature of the workshop and the open afternoon being within the classroom, we are unable to accommodate siblings at this event.

Please may we remind you that mobile phones cannot be used in school, if there is a reason that you need your mobile, please speak with the class teacher.

Please complete the attached booking form should you wish to attend. If you are attending, you can take your child home after but please ensure to indicate your intention on the attached booking form and let your class teacher know. If your child travels on KCC Home/School transport, please also let your transport provider know that you are taking your child.

I am certain the afternoon will be very informative and look forward to seeing you.

Yours faithfully

Caroline Jaques
