10<sup>th</sup> February 2025

Dear Parents and Carers

**Re: Giving Tree**

As you will remember from my end of term letter in December, I informed you that we had applied to the Blue Water Giving Tree via our charity contact Red Eagle Foundation for Christmas presents, and were successful. However, due to circumstances outside of our control we did not receive the presents in time for Christmas celebrations. You will be pleased to know that the presents have arrived and we are now in a position to share them with the pupils.

'Random Acts of Kindness Day' held on 17<sup>th</sup> February is a wonderful occasion that encourages people to spread love, compassion and positivity through small and unexpected acts of kindness. In celebration of this day and our school values we will be sharing the presents with our pupils on the last day of term, 14<sup>th</sup> February 2025.

Random Acts of Kindness Day is a reminder that small gestures of kindness have the power to change the world. By spreading love and positivity, we can create a more compassionate and caring society. Take the opportunity on this day to perform a random act of kindness and make the world a better place.

Wishing you all a safe and happy half term holiday.

Kind regards.

Yours faithfully

Angela Howe  
Principal
