

It is easy to create a Word Bank or Picture Bank from a Clicker Board.

To create a Word Bank, **right-click** on the background of the Clicker Board and select **Create Word Bank**.

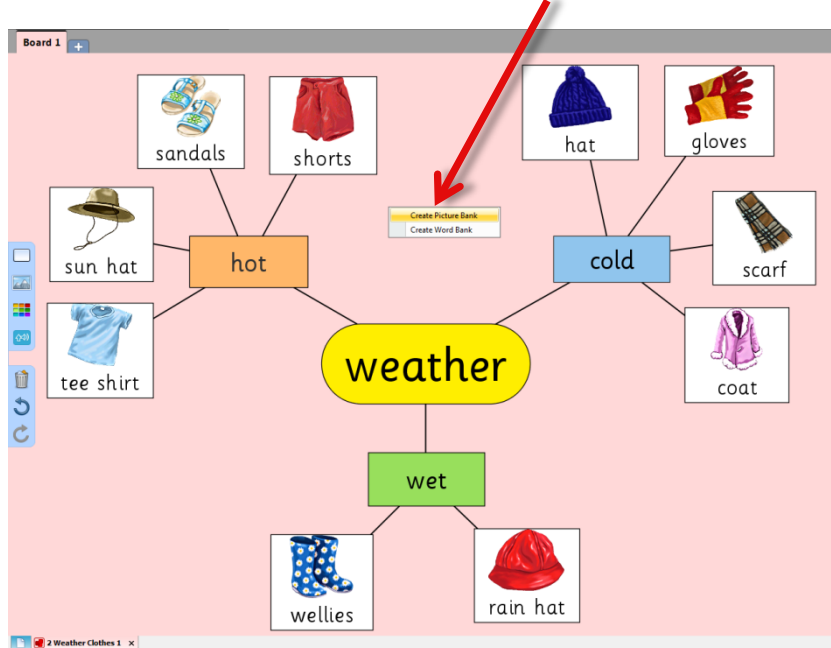

All of the words will be added to a new Word Bank. Click on any word or phrase to send it to the Document or right-click to hear it read aloud.

You can return to your Clicker Board by clicking on the tab at the bottom of the screen.

To create a Picture Bank, right-click on the background of the Clicker Board and select **Create Picture Bank**.

All of the pictures will be added to a new Picture Bank. Click on any picture to send it to the Document.

Save your Word Bank and Picture Bank separately using **Save** in the Clicker Set ribbon tab.
