3rd June 2024

Dear Parents and Carers,

Further to my letter of 28th March 2024, when I advised that we were embarking on a 'Values Based Education' journey, which has a clear focus on embedding core values into our school community, our curriculum, policies, processes and systems to ensure that our school is a safe, calm, happy and purposeful environment for all stakeholders are next steps are as follows;

We have been working on the logos to accompany the values below, which we hope will help to embed their meaning and demonstrate the value.

Term 1 Teamwork	Term 2 Respect	Term 3 Positivity	Term 4 Resilience	Term 5 Integrity	Term 6 Courage
--------------------	-------------------	----------------------	----------------------	---------------------	-------------------

On the attached Voting Sheet, you will see 4 sets of logos; these have been created by various participants, which explains the different submission styles (computer, hand-drawn etc., each will be represented by the above colours). The style of submission should not affect your choice, as the final product will be a professional printed version. Please can you consider the logos and which set you believe best reflects the value it is attached to. Please only choose 1 set by marking the Voting Sheet with an X in the box of your preferred set. Please return to the school by **Monday 10th June 2024**. Please note this is a completely anonymous vote.

As well as seeking parent/carer views, we are asking pupils, staff and Governors to vote on their preferred set and once we have analysed all the Voting Sheets, we will share the winning set with everyone involved.

Thank you for your support.

Kindest regards.

Yours faithfully

Angela Howe
Principal
