Dear Parent/Carer

Re: Willow Class – Teeth

As part of our PSHE (Personal, Social and Health Education) topic all about healthy living and good hygiene, we are planning to start practising our teeth brushing skills.

As part of the teeth cleaning process, we will be using Morrisons Essentials Fresh Mint Toothpaste. However, if you wish your child to use a different brand, please supply an unopened toothpaste clearly labelled with your child's name.

Each toothbrush will be stored separately and hygienically and clearly labelled with each child's name.

We plan to start practising our teeth brushing skills daily from the week commencing 22nd January.

We have attached a permission slip for your child to take part in this learning and we would be grateful if you could sign and return.

If you have any concerns or questions, please do not hesitate to contact us.

Yours faithfully

Sam Duggan
Willow Class Teacher
